AI & ML STUDENT

EDUCATION

NSHM Knowledge Campus | Durgapur   2021 - 2025
- Pursuing B.Tech in Artificial Intelligence and Machine Learning(6th Sem)
- CGPA : 8.30(up to 5th Sem)

KCP Siddhartha Adarsh Residential Public School Vijayawada, Andhra Pradesh
- Higher Secondary Education(CBSE)   2020 - 2021
- Percentage: 91.6%

TECHNICAL SKILLS

- Python
- Machine learning
- Deep Learning
- Django
- Numpy & Pandas
- AWS (in progress)
- HTML (Basic)
- CSS
- JavaScript(Basic)/ React

INTERNSHIP

- **AIML Virtual Internship** (AWS, AICTE, EduSkills)   May - July 2023

- **AIML Virtual Internship** (Google for Developers, AICTE, EduSkills)   Jan - March 2024

CERTIFICATES & ACHIEVEMENTS

- Certification in an virtual internship in AICTE (**AI&MLVIRTUAL INTERNSHIP**)
- Certification in an virtual internship in AICTE (**Google AI&MLVIRTUAL INTERNSHIP**)
- Certification in AWS Academy Machine Learning Foundations -(**Amazon AWS**)
- Certification in an virtual internship in NPTEL(**Introduction to Machine Learning- IITKGP**)
- Wrote a Book Chapter named Blooming Intelligence: Machine Learning for Plant Species Identification (Book Name: **Agricultural & Environmental Information System Society 5.0** Chapter 12, ISBM: 987-81-19006-36-6)

PROJECTS

- **DETECTION | GitHub**
  - Developing a project for detecting multiple languages like Language detection, Sign language detection etc.
  - Initial focus on Language detection is successfully completed.

- **Location-Based Image Classifier and Travel Companion | Ongoing**
  - Creating an innovative AI-driven application that not only classifies images by geographic location but also serves as a comprehensive travel companion.
  - It highlights nearby adventure destinations, showcases renowned local cuisines, suggests top-rated hotels, identifies emergency hospitals, and pinpoints local tourist guide company locations, ensuring a seamless and enriched travel experience.
